Core texts for depth study

# The principles

Each cohort will have a suite of core texts that will form the depth study for the academic year. These texts represent a promise from the school to every pupil that it serves of the literature that it is committed to studying throughout a pupil's school journey. These texts have been mapped carefully to ensure a breadth of experiences, authors, texts and themes is addressed across the Primary years. In addition to these texts, there are core poems that each year group will study in depth. Other texts that will be studied in part will be outlined within the curriculum. This spine represents the core texts for depth study only.
