- Lots of children have lost their jumpers already this term. Please can parents check the names on the jumpers they have at home to see if they have picked any up that don't belong to them by accident.

IMPORTANT:

Please can we remind parents to make sure that no children are cycling or scooting in the forecourt area or on the pavements outside the school in the morning. We have had a couple of near miss accidents this week and we want to keep all our children safe. Many thanks - *Avanti Park Health and Safety Team*

We have been notified by St Catherine’s Catholic Church on Park road, that lots of our parents are using their carpark at morning drop off. Please note that this is a private car park, and all of their spaces have been rented for use by a local business. **Please be reminded that we ask our school community not to drive up Park Road at all during drop off and pick up** unless you have a pre-arranged agreement with the school as this creates a hazardous environment for the children.
