Week Beginning: 9/1/23

### Article 2

The Convention on the Rights of the Child applies to everyone without exception. Governments should take all measures to ensure that children are protected against all forms of discrimination.

Right of the Week

British Value **Mutual respect**

Dear parents and carers,

All assemblies begin with that week's Right of the Week. This is always linked to a British Value. For more information about the Rights Respecting learning that we are doing in school, please visit [The Rights Respecting Schools Award | UNICEF UK](#) and for more information about British Values, please visit [The 5 British Values - Explained for Students \(2022\) \(helpfulprofessor.com\)](#). There are a few adverts on this site but the explanations are clear. If you would like any further clarification on these two strands of personal development at Avanti Park or any other information about assemblies please get in touch! ### Car Parking:

There will be barriers in place in the car park from the start of next term. The car park was identified as an area in need of improved safety and only parents who have been allocated permission to park will be able to gain access. Please complete the *Car Parking Form* (attached to this email) and return it to the school office as soon as possible if you would like to be considered for a place.
