### Article 24 (health and health services)

Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food and a clean environment so that children can stay healthy. Richer countries must help poorer countries achieve this.

We will be counting the number of sustainable journeys made to school every day and entering these onto a national leader board. There are some extra fun activities going to on this year and many thanks to Emma Parker (parent and Frome Town Council) for arranging and funding these for us.

### Change of inset day!

The inset day that was scheduled for the 12<sup>th</sup> June 2023 is now on going to be on Friday 23<sup>rd</sup> June 2023. This falls on the Friday of Glastonbury Festival, which we know will please lots of our community.

### Disco postponed

We are really sorry, but the Disco is postponed due to the PTFA going through a transitional period with many of the old members stepping down and new members stepping in. This definitely will be happening next term, a new date to be advertised very shortly. The PTFA will be reaching out to engage with all the amazing families in the school, and to appeal for new parents to get involved in supporting events like this.

### Open Classroom Survey Results:

Thank you to the 63 families who responded to the survey. The overwhelming majority was for open classrooms to take place *three times a year* and to be *unstructured (look at all books)*. *These will be staggered for classes to help with the overcrowding.*

*We have also slightly adjusted the timings following the feedback. The open classrooms will run from 3.15-3.45 in future to accommodate working parents more easily.*

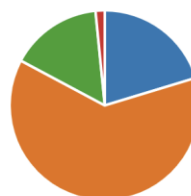

The next open Classroom event is scheduled for Friday 16<sup>th</sup> June at pm

## Health & Safety:

**In addition to the email sent home yesterday we have been told by parents that cars parked in the turning circle at the top of the road are making it difficult for children on scooters. Please can we also remind parents who are waiting for the gates to be opened, to position themselves inside the school forecourt and not out on the road.**

**Many thanks for your emails into the school and your support with this.**
