MESSAGE FROM THE
PRINCIPAL

The Avanti Park Post

Dear parents and carers,

I wanted to thank you once again for your incredible support and kindness during and after the OFSTED inspection. I have to say that I have never known a term to feel so long! We are all looking forward to a couple of week off to recharge before the summer term.

I hope you all have a wonderful Easter break and that you are able to spend some time with friends and family. Fingers crossed for some sunshine and warmth.

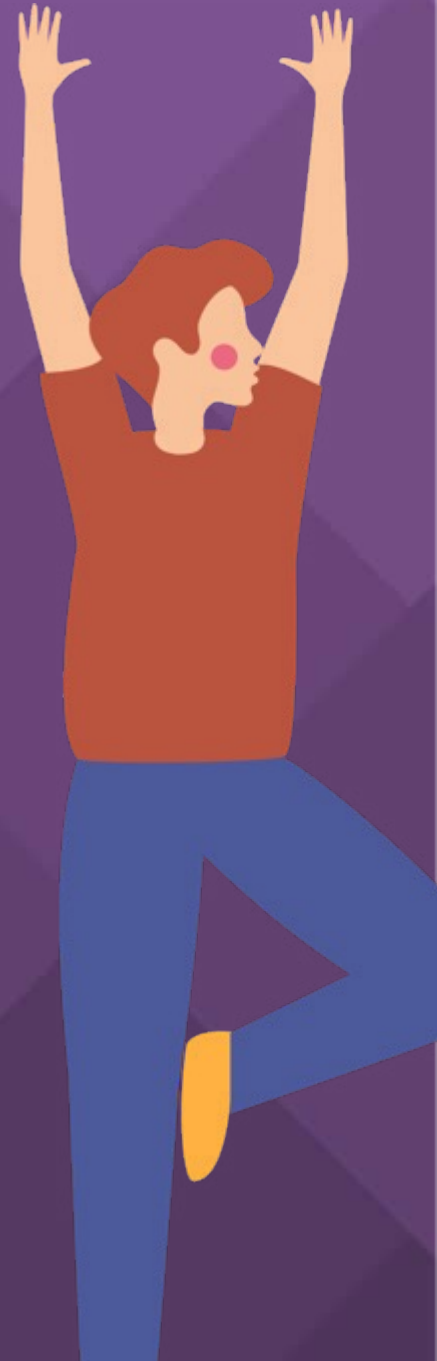

We return to school on Monday the 15th of April and so will see you bright and early then!

With best wishes
Abby Atkins

Staffing Update

After Easter we welcome Sarah West to join our TA team. Sarah is a very experienced TA and she will be working in year 5 initially.

On the 1st May Jackie Foord will join us. Jackie will replace Gemma Smith as our KS3 English maternity cover. We wish Gemma well in her next role.

Safer School Streets – ROAD CLOSURE

School Streets for Frome - Avanti

The following measures were designed with the community to create more child friendly streets, reduce vehicle speeds and reduce dangerous manoeuvres.

Access restrictions

Residents will have full access to all areas 24/7. Traffic will be restricted around the school entrance areas at peak school hours (Mon-Fri), 8:25-8:55am and 3:00-3:30pm, to improve safety.

Avanti Park School - Carriageway patterns chosen by residents, from a selection designed by local school children. The patterns will create a child friendly street environment, parent parking on street will be reduced outside the school, and a crossing will make it easier and safer for everyone to cross the street. Planters will green the street and reduce problem parking.

Entry points - New signage at the entry points will alert drivers they are entering the school street zone, and warn of traffic restrictions ahead. Speed limits within the zone will be 20mph.

SAFER SCHOOL STREETS FOR FROME

The Safer School Streets trial starts Monday, 22nd April

Park Road will be closed to traffic: 8:25 - 8:55 & 3:00 - 3:30 Monday - Friday during term time

Exemptions include: blue badge holders, parents/guardians of pupils with EHC plans, school staff, access to residential properties within the restricted zone, healthcare workers, users of Harry's Hydrotherapy Pool, school and public transport, emergency services, postal services, utilities, highways maintenance, street cleansing and waste collection

Notices

Phones and Smart Watches

As you know we have always had a "See it, Hear it, Lose it" policy on phones in school.

In order to keep up with the changing face of technology it has become important to extend this policy to Smart Watches.

Please support us in keeping everyone

safe at school by not letting your child(ren)

come to school with a Smart Watch on.

Even if they are not connected to the Internet whilst at school, they can contain messages and photos and be a distraction in the classroom.

Thanks for your understanding!

PE KIT REMINDER!!

Please ensure your child has a full P.E kit next term;

Navy shorts or joggers, white T shirt and trainers (daps for EYFS to year 2). Many children in school don't have a full kit and this is extremely time and labour intensive lending and washing extra kit regularly. P.E kits are to be brought into school and left on their pegs at the beginning of term, ready for each lesson.

Many Thanks. Primary P.E.

Fundraising

A wonderful £134.70 was raised by the year 3 bake sale, with all proceeds going to Lauren May of Cornpop Critter Rescue. Thank you to all of our bakers!

KS3 Digital Leaders

Our KS3 digital leaders have been working hard to support both children and teachers in the primary phase with their computing knowledge; Mrs Vitellaro said *'It has been invaluable having the support of the older children - their subject knowledge not only helps me but also ensures a deeper understanding for the class I teach.'*

Avanti Park Cross Country

Cross Country- that's a wrap!

The cross country team did wonderfully well at Millfield Prep on Tuesday. I almost lost my voice cheering them on! This was their last meet of the year and every competitor tried their best. Well done to Willow Antell, Luna King Evans, Jagoda Swietlik, Murphy Wood, Bella Sturdy, Baxter Hallybone, Harriet Lamb, Ellie Holzer, Rosie Antell, Poppy Redmond, Matilda Kotyrba, Ella Horsfall, Asha Feast and Sasha Burns. Final results, positions will be announced in Friday's assembly, as always.

Here are a few pictures of some of the runners...

Year 2 Interhouse Sports

Well done to Year 2 who took part in different activities to develop their coordination, stamina and team working skills during their multi skills competition which was run by the Year 8 Sports Leaders. They did roll a goal, tennis keepy uppy's with a balloon, collect the treasure, hurdles, shuttle runs and a quoit throw. They all did brilliantly, with the overall winners from both classes being Dommett!

Thanks to Hawthorn Class in Year 8 for running the event!

Netball and Football Match v Oakfield

Year 6,7 & 8 Fixture v Oakfield

On Tuesday 12th March, 20 students from Avanti Park went up to Oakfield to take part in a Football and Netball fixture. It was decided when we arrived that we would combine the year 7 & 8 footballers and play 11 aside. As this was the first time they had played together as a team, the first half was a little frantic. After a motivating team talk from Mrs Webb, the team was more structured in the second half and they were very close to scoring. They lost 6-0 but a great learning experience for them. Massive praise to the following who took part and never gave up despite the score: Max, Will, Jude, Kayden, David, Ricky, Reggie, Zain, Beau, Shalin, Reuben, Adam and Rowan.

The Netball team were very nervous and took a while to warm up and remember the role of their positions, but by halftime they were leading with some super goals from Sophia. They got in their groove and showed excellent passing and moving skills to overcome Oakfield 6-4 by the end of the match. Well done to Sophia and Amelie for scoring all the goals and to all the team for taking part.

Year of the Recorder Concert

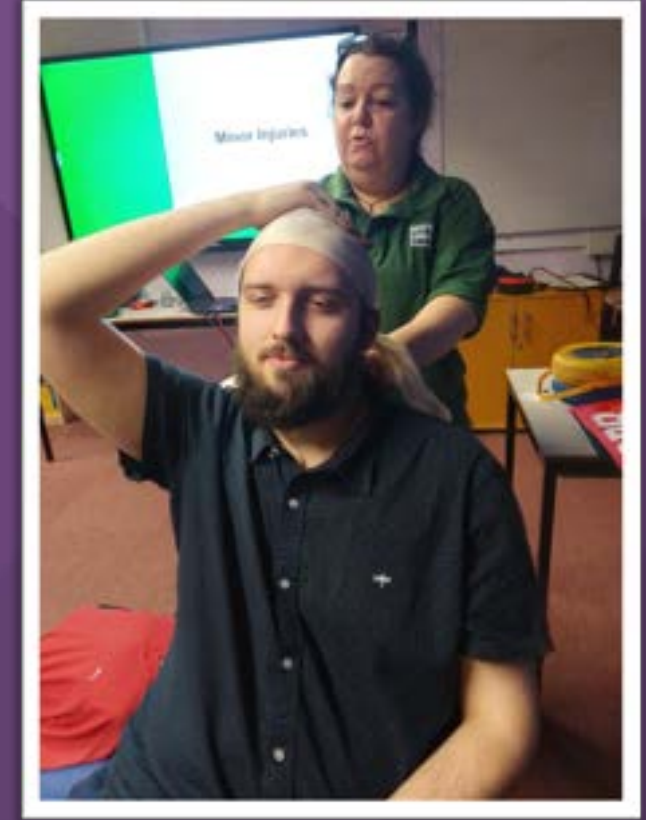

On Wednesday 13th March, pupils from APS joined with pupils from six other schools in Frome under the leadership of Anna Stegman and Tabea Degus from local music hub, Jackdaws, to celebrate the Year of the Recorder & to perform the musical story 'Joshua's Magic Flute'. 45 children from Year 3 & 4 attended, playing glockenspiels & recorder, alongside brass & stringed instruments from other schools.

Back in February, Anna & Tabea led a whole school assembly & then a workshop for Year 4 to introduce the pieces and then it was a matter of hard work & focus in the interim until the Big Night where we performed to a large audience, filling our local venue, the Cheese & Grain.

Well done to all the performers for courage, resilience, perseverance & hard work & a big thank you to Anna & Tabea for masterminding the whole thing.

First Aid at Avanti Park

Five members of staff renewed their Paediatric First Aid certificate this week, staying at school until 7pm for two nights plus they had to complete 6 hours online training. Great fun was had by all as you can see...

Traffic and Pedestrian Management Plan

Please see below a copy of the school *Traffic and Pedestrian Management Plan* details of which have been in place since the school first opened in Frome in September 2014. Please can we ask all parents to read this carefully. Many thanks, the Avanti Park Health & Safety Team.

TRAFFIC AND PEDESTRIAN MANAGEMENT PLAN

Pedestrian Movement:

We ask all parents to ensure their children walk, cycle or scoot to school where possible.

Parents, pupils, and staff are asked to use the pavements and to be thoughtful

about other pedestrians' using Park Road.

Pupils on scooters and bikes are requested to walk their bikes once they reach the boundaries of the school, at the main school entrance and down the school road to the pond gate.

There are several stone and brick walls bordering the school grounds including a

low wall on the edge of the neighbouring Christchurch Parish Hall. We request

that parents do not let their children walk along these walls as we cannot guarantee their safety.

No pedestrians to walk to or from the pond gate through the car park

Vehicle Movement:

As a school community our aim is to limit vehicles entering Park Road as it is a no through road and there is very limited parking on the road. We request that

parents driving from a distance to the school park in one of the local car parks or in the surrounding area and walk their children into school.

Limiting vehicle movement is important for:

- Safety of pupils and parents
- Safety of other pedestrians and Park users
- Being good neighbours to people who live and work on Park Road
- Vehicle use of the Car Park:

There is no drop off parking at the school site for parents except by special arrangement.

There are four drop off spaces and three disabled spaces that are for the use of pupils with access needs and these spaces need to be arranged with either the School Business Manager or the school SENDCo

There is a one-way system in place in the car park and all vehicles will enter via the top entrance and anyone wishing to use this entrance will need to complete the 'Use of Car Park Form' available from the office.

All vehicles to drive at a maximum speed of 5mph

The car park will be assessed for safety in conditions of ice and snow and may on occasion be closed by the Health & Safety team in order to keep staff, pupils, and parents safe.

No vehicles will be allowed on site during the school day unless accompanied by two members of the Site and Health & Safety Team.

Special Thanks

We are continuing our “Special Thanks” scheme in to the new year whereby parents, guardians, and carers are able to nominate and recognise staff for their efforts for supporting members in our Avanti community. This scheme was piloted at Avanti Park last year and made a real difference to our staff and their wellbeing.

To nominate a member of staff, please click on the following link:

<https://avanti.org.uk/avantipark/parents/staff-nominations-for-special-thanks/>

Stay Safe, Be Well

Right of the week

Every child with a disability should enjoy the best possible life in society. Governments should remove all obstacles for children with disabilities to become independent and to participate actively in the community.
