

AVANTI SCHOOLS
TRUST

Dear Candidate,

Thank you for your interest in this role within the Avanti School's Trust.

This is a hugely exciting time for our family of schools. The Trust has been recognised by the Department for Education as being well placed to raise standards and achieve excellence for pupils in a growing number of schools across the country. We have been given the fantastic opportunity to make a real difference to the lives and life chances of so many primary school children in Bishop's Stortford and to make this a reality we are recruiting leaders and teachers who are passionate about teaching and learning.

Our Trust has academies based in various parts of the country and includes schools at various stages of development, from those requiring significant improvement through to existing strong schools. Our vision is to enable individual academies to flourish with real autonomy, whilst also ensuring a strong ethos of support and collaboration across our schools. Our unique ethos means that we are dedicated and driven towards ensuring every pupil achieves academic excellence, character formation and spiritual insight.

Teachers and Leaders within the Avanti School's Trust benefit from a wide range of networks, development opportunities and activities to support personal development and well-being across the Trust. In time, our best teachers are able to work across schools, develop specialisms and step up to leadership roles within and beyond their own academy. Our Trust provides a strong culture of collaboration and support, together with high expectations for staff and pupils alike.

The talented colleagues that we recruit for Avanti Meadows will be able to demonstrate that they share our values, are highly motivated to work with colleagues within and beyond their school to continuously develop their skills and pursue professional excellence, and are committed to providing the highest standards of teaching for all our children. If that is you then we would be delighted to receive your application.

Nitesh Gor
Chief Executive, Avanti School's Trust
