January 2019

Welcome back and Happy New Year! Thank you for your generosity before Christmas. We were grateful for the gifts received from you all.

All of you will have now received a letter via email regarding Mr Burton's medical leave. We would like to wish Mr Burton success with his surgery and a speedy recovery. We extend a warm welcome back to Ms Pandya in the role of interim Head Teacher, from Wednesday 16th January 2019.

Mr Burton will be holding a **Key Stage 1 Workshop for Year 2 SATS** on Tuesday **15th January 2019 at 8:15am**. Please inform the School office if you are able to attend?

Thank you to parents that managed to complete the Parent survey. We appreciate you taking the time to do this, your feedback is very valuable and helps us to make continual improvements to the School. This survey received 64% of responses. Our next survey will take place in February and we are hoping to see a 100% response rate.

Mathletics login details have been issued to all reception children. Please follow the instruction on the welcome letter.

If your child has recently joined but not received their login details or you are having difficulty with accessing the service, please contact the school office.

Mathletics can be a great compliment to class teaching and learning. Please help your child make good use of the service. The progress your child makes can be tracked by their class teacher and provides valuable information for them to help them progress.
