

Sports Premium Funding 2018-2019

PE and Sport Funding - DfE Guidelines

The government is providing additional funding of £16,000 for academic year 2018-2019 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school head teachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding: Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE;
- supporting and engaging the least active children through new or additional Change4Life activities;
- paying for professional development opportunities for teachers in PE and sport;
- providing cover to release primary teachers for professional development in PE and sport;

This academic year, the school will receive £16,240

Proposed spending for 2018 - 2019

Key Objective and anticipated benefits.	Specific year group/key personnel to be targeted.	Proposed activities	Costing	Impact
Provide greater extra-curricular sporting opportunities for all pupils.	Pupils in all year groups	Dedicated sports teacher in school to be a role model for the school community. Sports Premium Sustainability:

At Krishna Avanti Primary School Croydon we aim to ensure improvements in PE provision and increased participation rates are sustainable by:

- Employing a PE specialist teacher that has been employed by the school
- Upskilling staff through CPD and succession planning
- Purchasing high quality resources
- Purchasing a new P.E. planning and integrating it with the Operating Learning Model, whereby we will ensure that we have a consistent, progressive approach to planning and delivering P.E lessons across the school.
