**Board  
Game Club**

From Thursday 6<sup>th</sup> June we have started a free board games club at lunch time. All children will have the opportunity to play a choice of games such as Draughts, Ludo, Chess, Snakes and Ladders etc. We have a rota of 15 children per day and our Midday Meals Supervisors will be supporting them. They will still be getting their outdoor play on the other days and their allocated time on the roof top playground after eating their lunch.

**THANK YOU**

## Parents Donations

Thank you to Manay for donating books to Library on Water for his 5<sup>th</sup> Birthday. Ethan and Oariyan have also donated books for the School Library. Thanks to Naima for more reading books as well. Much appreciated!

## Young Writers Competition

Children in Year 1 wrote diary writing entries for Young Writers. We are delighted to tell you that all children that entered will have their poems published. We are extremely proud and certificates have been given to all the children that participated.

## Special Assemblies

Year 1 delivered a brilliant assembly on the environment this morning. Photos will be shared soon. There were lots of Parent suggestions on how to compost, recycle and for collecting compost from Woodcote Green Garden Centre, for the School. If anyone has any Jasmine or Honeysuckle, Clemistis, passion fruit climbing plants, please donate cuttings for us to cover the boundary fencing around the perimeter of the School. If you have any flowering plants or herbs in your garden please help us grow our own garden!

## Woodcote Green Garden Centre

We are pleased to announce that from the 1st April the vouchers for our Green Fingered Kids scheme will be available to start collecting. This means that for every £10 spent at Woodcote Green we will donate a 25p voucher for you to give to your school or group which they can then spend on anything in-store. Money can be spent on herbs for sensory gardens, fruit and vegetable patches and rose gardens to name a few! We are proud to run this scheme as not only does it encourage children to step outside and begin gardening but schools have used the money to create interactive lessons to teach kids about the importance of the environment, healthy eating and the natural life cycle.

There is also no maximum limit of how many vouchers can be rewarded per transaction meaning every £10 you spend really does make the difference to children in Schools.

Please keep up to date with all the exciting Green Fingered Kids news, events and promotions head on over to the Green Fingered Kids page on our website ([www.woodcotegreen.com](http://www.woodcotegreen.com)).
