Week 10 - Friday 22nd November

## Bright Lights, Big City!

Year 1 had a fantastic trip on Wednesday to visit the London Eye. The children demonstrated resilience, patience and stamina as they navigated the ever-so-reliable Transport for London network! Despite the delays, the children finally reached their destination and thoroughly enjoyed the birds-eye views. The children were able to identify many national landmarks and even had the time to play after the ride.

There are many, many items of school uniform mounting up in our lost property area, which if not claimed, will be donated to charity. Please take a look if your child is missing any items.

Please note, every item of **clothing must be clearly named** and teaching staff are not responsible for retrieving lost items. All lost items will be taken to lost property upon being discovered. The lost property area is located under the main stairwell, which can be accessed via the main entrance.

## Warning!

A packet of cigarettes was found lying within the Early Years play area On **Thursday 21st November**. It is not clear where the cigarettes came from, however we want to reiterate that the school is a smoking-free space and cigarettes packets should always be safely concealed when on the premises. It is essential that children do not have access to such harmful items. We thank you for your cooperation and vigilance with this matter.
