Week 19 - Friday 14th February 2020

Value of the term: Respect

"True humility is intelligent self-respect which keeps us from thinking too highly or too meanly of ourselves. It makes us modest by reminding us how far we have come short of what we can be."

Ralph W. Sockman

Stay on Green champions: Reception

Attendance

Whole school: 95.43%↑

Reception: 97.50%

Year 1: 98.93%

Year 2: 95.77%

Year 3: 97.14%

And just like that, another term has come to an end and we find ourselves at the half-way mark of the academic year! Spring 1 has been full of fun and significant progress. Our children continue to make us proud and achieve new heights in their academic, spiritual and character development. We wish you a joyful, restful and productive break and look forward to greeting the children back to school on **Monday 24th February**, equipped with stories to tell, as well as their completed homework and reading books to exchange!

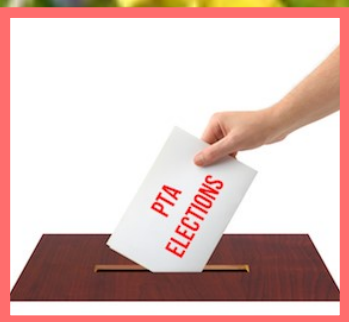

Many thanks and kind regards, Mr Burton.

Internet Safety Day

This year, to mark safer Internet Day, our children designed posters to demonstrate and share their knowledge of how to stay safe online. Highlighting the risks browsing the internet can present, as well as exploring the steps we can take to stay safe and use the internet wisely, our children excelled at producing informative and eye-catching posters.

Among the many creative, colourful and information-filled posters made, those which emerged as the most effective in spreading the word of safety online were produced by Keshavi, Nabhya, Vihaan, Kaya and Kahaan.

Parent Stakeholder Election

We are pleased to announce that after a very even count, Mrs Anjana Patel has been duly elected as a parent stakeholder. Mrs Patel is the parent of a child in the Reception class and we welcome her to the Stakeholder Committee.

Key dates coming up:

- Monday 24th February - Return to school for the Spring 2 term
- Friday 28th February - Arts and Crafts after-school club begins

Week 19 - Friday 14th February 2020

We had a 3 day visit from Ms Toyin this week - a teacher at Springhall British School in Nigeria. She spent 3 days in KAPSC, learning about our school systems and sharing theirs. She sampled some of our lunchtime cuisine, was an independent witness at the Parent Stakeholder elections and even had a gift exchange at the end of her visit. There is so much we can learn from others.

Springhall British School

Huge thanks to Mr and Mrs Dave in the reception class, who have purchased two brand new ceramic hobs and a fridge freezer for our specialist teaching room. We are very touched by this generous gift, which will really help our children to develop their food technology skills.

Playground Markings

We have secured some funding to have playground markings.

The School Council has been busily asking children what they would like to have in the playground to further enhance the play experience and we have a range of Ideas now, which we will be following up on. We are aiming to have the markings done during the Easter holiday.

Week 19 - Friday 14th February 2020

Back to Old Ground

We went back to where our school started this week. Minster School had a Prayer Space project, to which the whole school was invited. Children took part in creative activities around topics such as 'Challenges Children Face', Veganism, Fruits of the Spirit and the 'Impact of Natural Disasters.' The visit was meaningful to all.

Year 2 had a week packed with a variety of events, culminating on Friday afternoon with a pizza making bonanza! Comments such as 'This is the best pizza ever!' and 'We should open up a shop and sell these pizzas,' highlight how impressed the children were both with the vegan recipe they expertly followed.
