Spring 2 Commences

Dear KAPSC Families,

We are at the end of the Autumn term already and the time has certainly flown by! It has been a fantastic start to the school year with great progress and achievements made in all areas by our children. We have had Greek and Stone Age workshops, trips to the Church, Gurdwara, Museums in London including The Natural History Museum, Dance workshops and talks from Croydon police to name but a few!

The next term promises to bring lots more exciting learning as well as trips and enrichment opportunities which we will share details about in due course!

I wanted to take the opportunity to say a huge thank you to all of you, our KAPSC families for your ongoing support and efforts with our achievements at KAPSC. We really do appreciate all your time, effort and energy in helping our school to continue on its journey.

A huge thank you also to our wonderful staff team who are truly valued and do a fantastic job for our children at KAPSC!

We are so pleased that 12 parents have volunteered to be part of our PTA going forwards. Further details about roles and responsibilities will be shared in due course in the new year.

We are pleased to announce that the school disco was an amazing success and enjoyed by all. We raised over £500 which will go towards arts projects and enrichment opportunities for your children.

The FoKAS Garba event held in November raised £117.91 which will also go towards fundraising events and resources for the school.

I hope you and your families have a restful, wonderful Christmas holiday with your loved ones and a fantastic new year!
