We are delighted to be the chosen after school care provider at Krishna Avanti Primary School. Holiplay Krishna Avanti will be launching in the 2nd half of the autumn term 2024 and will offer a safe and familiar setting for children to stay and play each afternoon during the school term time, making us a convenient childcare solution all around and especially for working parents and carers. Serving the pupils attending Krishna Avanti Primary school and facilitating a daily collection and walking bus from other schools in the local vicinity, we work with the needs of our parents and carers in mind providing affordable and flexible after school care, which can be arranged over a fixed term or on an ad-hoc basis subject to availability. Our children benefit from a stimulating and enriching daily activity schedule, which compliments the Early Years and Foundation Stage Curriculum. With a light meal and healthy fruit and veg snacks included, not only is Holiplay *the place kids love to play* it's also the first-choice childcare provider for an ever-growing number of parents and carers. We look forward to welcoming you and your child to the Holiplay family!
