KRISHNA AVANTI
PRIMARY SCHOOL

Our Virtual Learning Environment (VLE) will provide a dynamic learning space for enhancing the curriculum through collaboration, personalisation, interactive content, assessment and real-time feedback.

When using Google Classroom, or any other VLE provided, KAPSH children should :

*Log in and out carefully using only their given network identity.

*Identify themselves honestly to other users online.

*Respect other people's views and beliefs.

*Post comments appropriate to the particular discussion.

*Enjoy the interaction with fellow students and their teachers in a friendly and intellectually stimulating environment.

*Report any abuse or problem immediately.

*Be appropriately dressed if they are uploading videos of themselves.

*Work in a communal space if they are working at home.

We Know that our children will be responsible and when using Google Classroom or any other VLE provided, pupils should not:

*Post anything illegal, obscene or offensive.

*Log in with any username other than their own.

*Copy or forward e-mail, messages, images or files without permission.

*Use storage facilities for inappropriate or non-educational material.

*Behave in an impolite manner.
