

School Council

Tuesday 18th May

2022

An illustration on the left side of the slide shows a hand placing a white ballot into a grey ballot box. The box has a slot on top and the word 'VOTE' written on the front. The background of the illustration is light blue.

School Teams, what next

School Council are working on the end outcome for the team winners, which team gained the most dojo points at the end of each term.

At the moment, children have been working hard to gain a dojo point, however it would be good for children to work towards an end outcome.

School Council have come up with three options, which will be shared with their peers and will vote on their preference. All votes will be counted in the next meeting.

Options?

1: Lucky dip

2: An option of choosing between joining an Art lesson or P.E lesson on a Friday afternoon before the end of term.

**For KS1 and Year 3 only:
An additional option of:**

Awarded a medal to wear proudly for one term

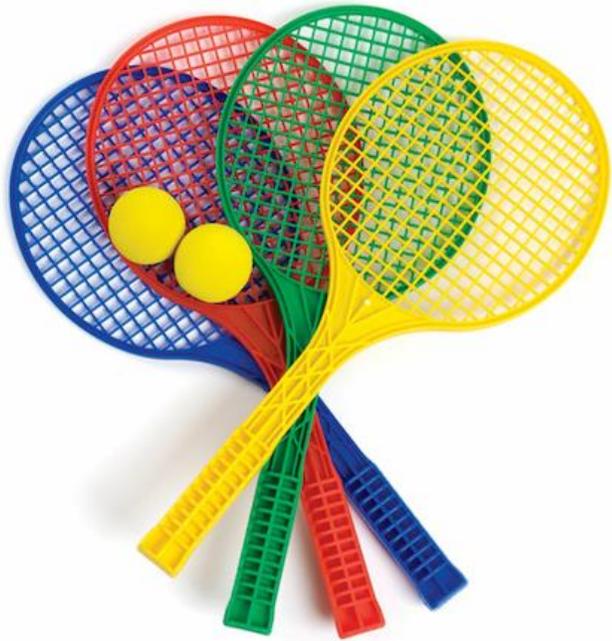

School Team Decision.

The majority of our pupils wanted to choose from a lucky dip.

I am pleased to share that we have now bought many items for the lucky dip!

Congratulations to team Wind!

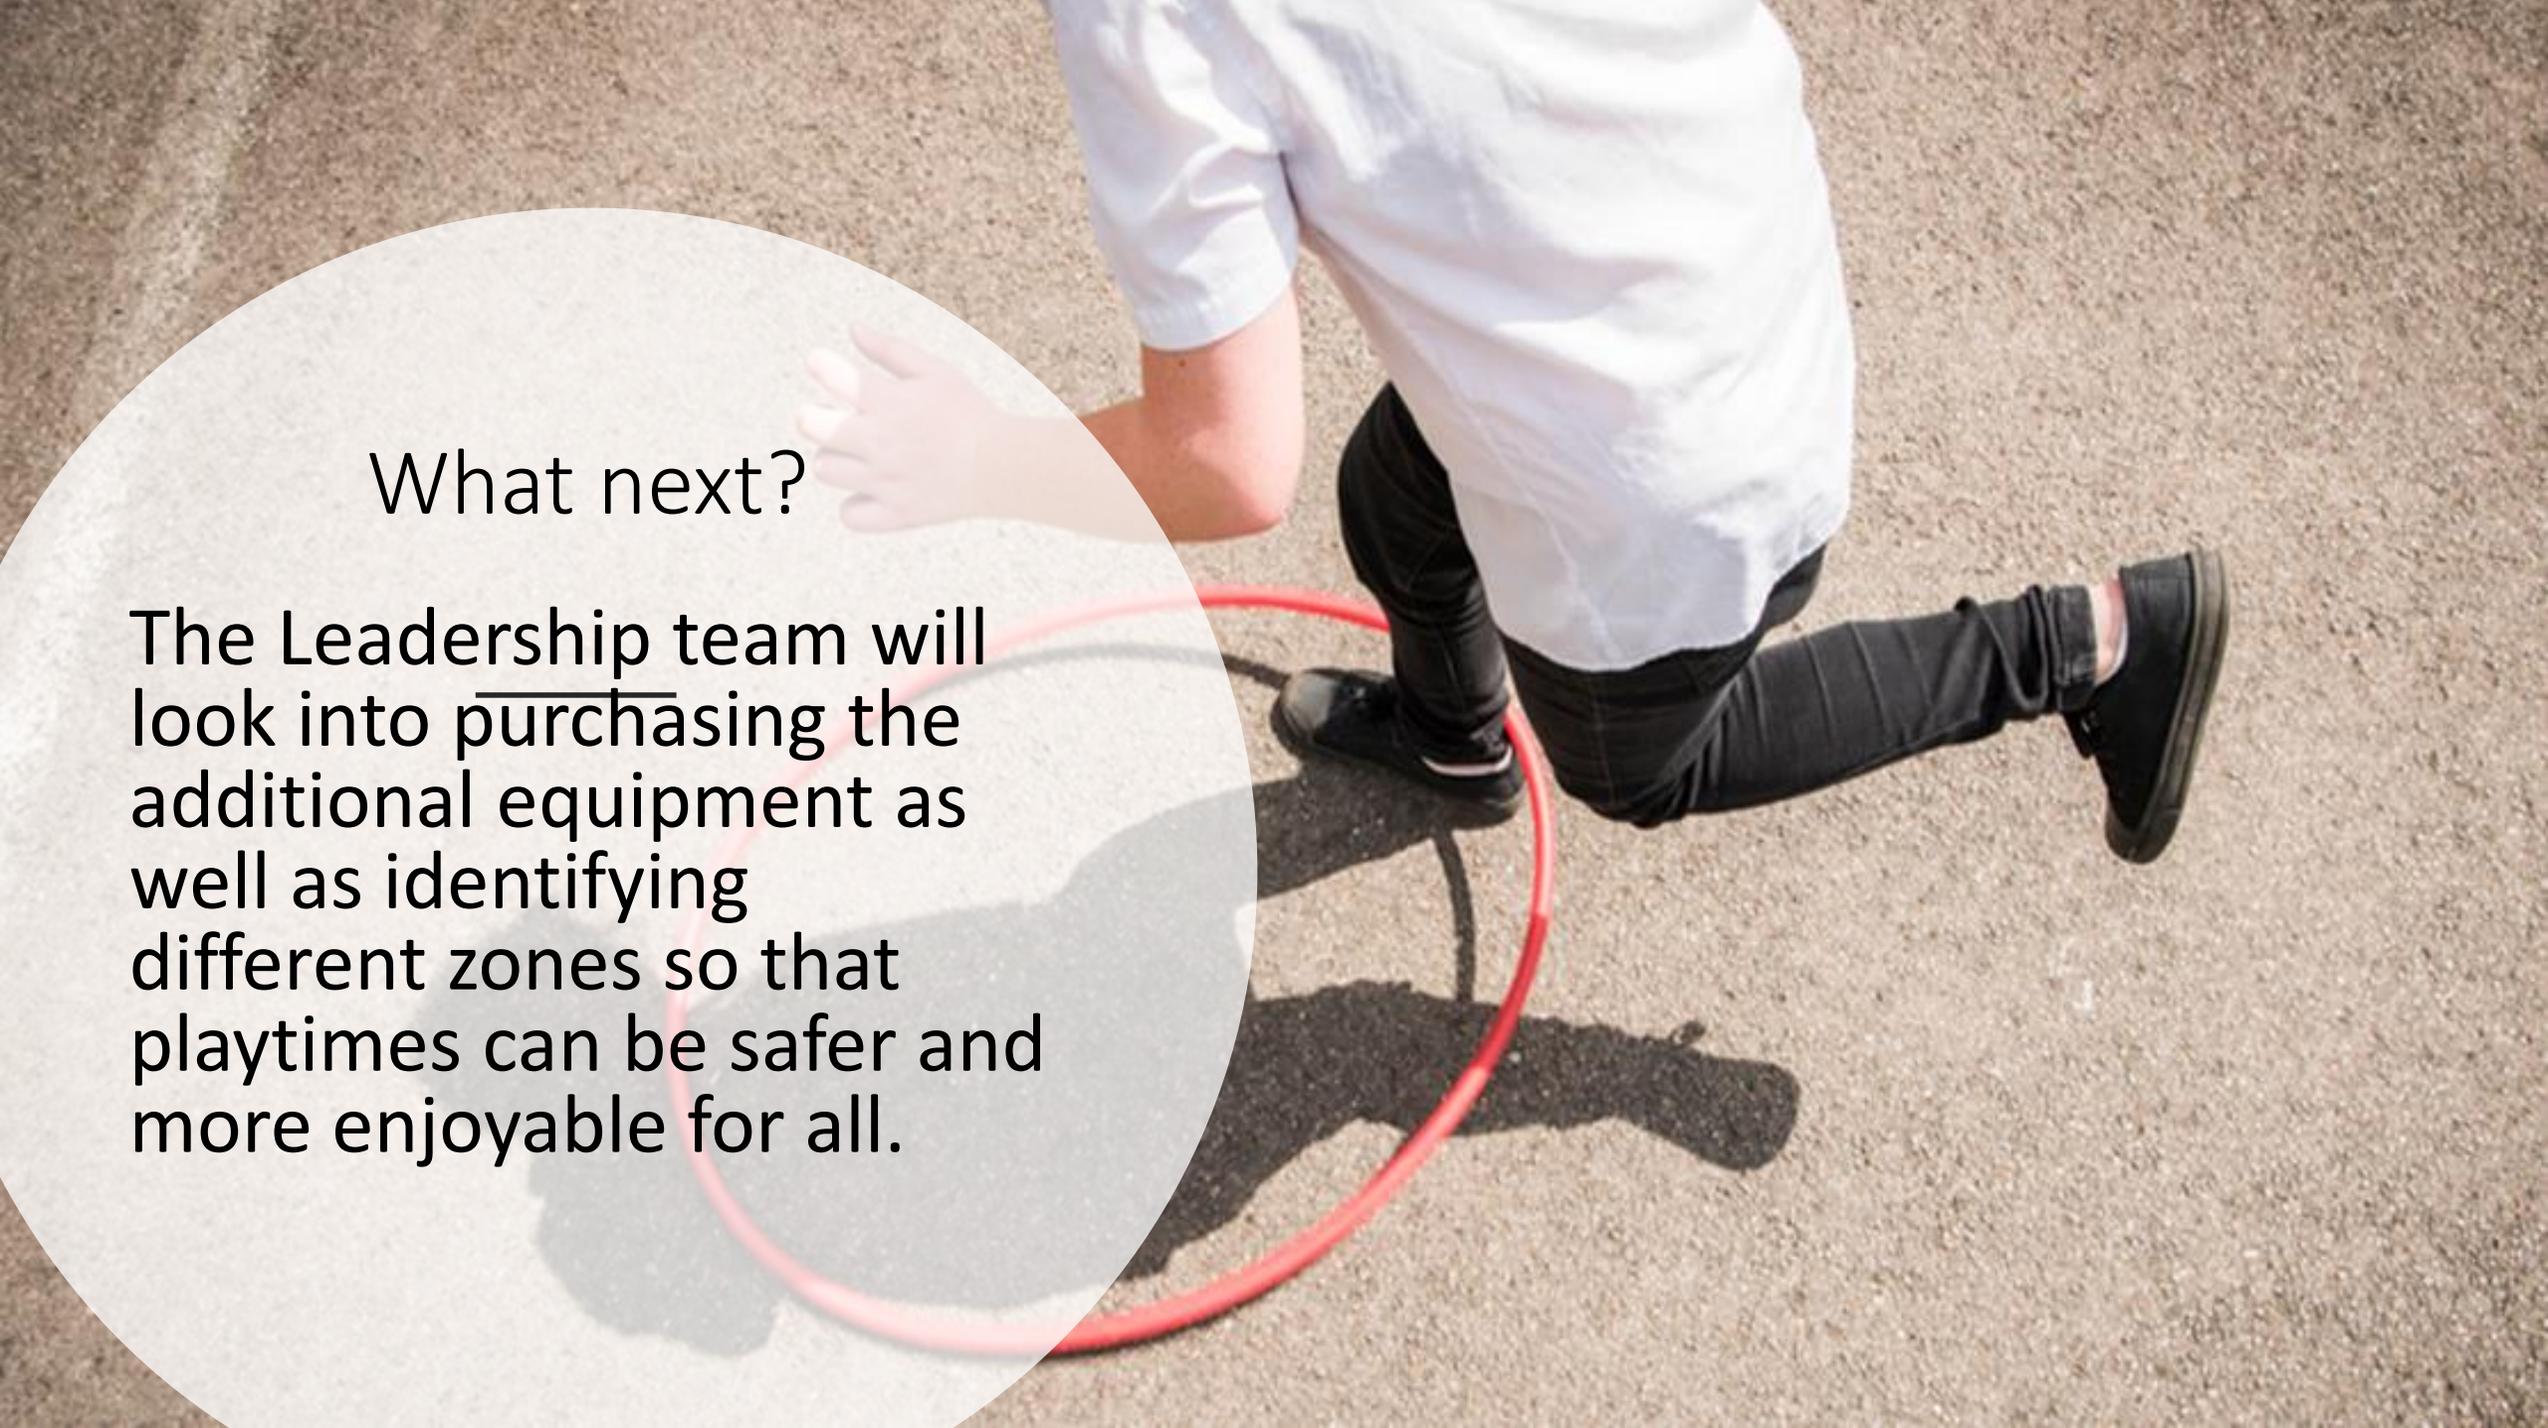

Playground Equipment

School Council have asked their peers as to what resources would make break times even better. This is what they said:

- More skipping ropes and hula hoops for KS1
- Use the small Astro near Year 5 as a quiet zone, KS2
- Nets in the football goals
- Mark out zones, such as ball games, reading...
- Another table tennis table KS2
- Cricket equipment
- Variety of balls and bats

What next?

The Leadership team will look into purchasing the additional equipment as well as identifying different zones so that playtimes can be safer and more enjoyable for all.
