# What is Artsmark?

Artsmark is an award which schools can be awarded based on how well they include and value the arts within the curriculum and creative learning.

The arts includes : art, dance, drama and music.

So at our school (Krishna Avanti Primary School Harrow) we are going to begin our exciting Artsmark journey towards the Silver Award which will involve everyone!!

**ARE YOU EXCITED?!**

Artsmark - is awarded by the arts council of England which is based in London and schools from across the U.K. (the whole country) can apply.

**Our Artsmark journey will take us about 24 months - or that's two years- so it is going to be a very special adventure indeed.**

# The KAPSH arts council role

We will work together to monitor and evaluate the impact of the arts on our learning at school.

We wish to inspire creativity, individuality, resilience and promote positive well-being by expressing ourselves through music, dance drama and the visual arts.

# Why Artsmark? - I hear you ask - that is a very good question

- ▶ Artsmark will allow each and everyone of us to gain new skills and knowledge within the arts,
- ▶ It will allow us all to gain first-hand experience working alongside artists and professionals,
- ▶ We will be able to meet new individuals and work collaboratively as a team,
- ▶ Network with other schools sharing knowledge, expertise and new resources,
- ▶ Plan and design a whole school textile project to represent culture, spiritual and moral values,
- ▶ Build self -confidence, self -esteem, resilience and a drive to succeed,
- ▶ Learn about new cultures and what they represent.
- ▶ Artsmark is a new gateway to our learning one which we cannot wait to start 😊

# Our artsmark journey will include

Demonstrate Leadership

Embed a diverse curriculum

Engage all young people

Develop new partnerships

Ensure equality and diversity for all

Promote arts and culture in our values and ethos

Watch, learn and listen - we cannot wait for our journey to begin.....
