Agenda and Tasks

- What should we focus on as a committee?

Thoughts

- **Collect rain water for watering plants**
- **Develop a compost bin**
- **Develop the school pond and support our Forest School**

Tasks!

Research one of the following during the Christmas break.

- How to make a rain duct?
- How to create a compost bin?
- What does a Forest School look like?
- How do we begin to clean the school pond?
