Friday 13<sup>th</sup> January 2022

A closer look at  
the lunch menu!

Ask your peers,  
which food items  
they do not like from  
the school menu and  
what they would like  
to replace it with.

# LEADERSHIP

How can we empower others to develop their leadership skills?

Some suggestions given by school council are:

- Team building games
- Plan a series of pupil leadership days
- Providing spiritual knowledge and practices: What would this look like?
- Support others during lesson time
- Give verbal praise and encouragement
