

2021/2022 Krishna Avanti Primary School P.E and Sports Premium Plan/Spending

Total Funding: £19,600

Total expenditure: £19,518

Key Indicator 1: Raise the profile of P.E and sports across the school as a tool for whole school improvement					
Area:	Actions:	Benefits:	Total cost:	Sustainability: How will we know if the improvements are sustainable?	Evidence and impact
Purchase of an appropriate P.E scheme that meets the needs stated in the national curriculum and the school community.	P.E lead to research into effective schemes of learning and buy an appropriate scheme.	<p>Teacher's confidence in the teaching of P.E will be enhanced, leading to high quality teaching and learning.</p> <p>Pupils' enjoyment of the subject will increase and raise their participation.</p>	£2500	<p>Quality of learning in P.E increased with better engagement by pupils.</p> <p>Staff more competent and confident in the teaching of P.E.</p> <p>Pupil's behaviour improved with key life skills developed.</p> <p>Improved pupil health and wellbeing.</p>	<p>Teachers are now more confident to teach P.E via the Complete P.E resource. On monitoring the effective delivery of P.E 90% of teaching and learning was good. Lessons are focused on key skills within a lesson; however we have adapted our curriculum ensuring that it is cohesive and that children have opportunities to continue to build on their skills.</p> <p>Pupil voice shows that 98% of our children enjoy P.E lessons and can see their skills developing.</p>
Purchase of equipment to facilitate the delivery of the curriculum	PE Lead to audit current resources and order new equipment in line with the P.E scheme Complete P.E	To ensure that all children have the opportunities to benefit from a wide variety of physical development resources.	£1400	<p>Pupils will show increased confidence and knowledge of a range of sporting activities</p> <p>P.E equipment will enhance the curriculum.</p>	Additional equipment has been purchased, pupil's can see the benefit of using the additional equipment and pupil voice demonstrates their articulation of how the additional equipment supports their learning.

Key Indicator 1: Raise the profile of P.E and sports across the school as a tool for whole school improvement

Area:	Actions:	Benefits:	Total cost:	Sustainability: How will we know if the improvements are sustainable?	Evidence and impact
To develop yoga and mindfulness within the classroom to focus on pupil wellbeing. To develop staff in teaching yoga and mindfulness.	P.E lead to work with the Yoga specialist and deliver a series of CPD sessions 2 per term.	Further refine the school's broad and balanced curriculum further ensuring it meets the needs of pupils, particularly post lockdown.	£112	Pupils will be able to self-regulate their behaviour in all situations, particularly without adult presence.	Teachers have an increased awareness of how yoga practices can be used in the classroom to support children in their focus and readiness to learn. Impact can be seen on pupil behaviour with reduced number of children taking time to reflect on their behaviour.
Purchase SLA with Harrow to provide access to competitions and high quality CPD	To arrange competitions supported by Harrow, to raise the profile of competitive sports.	The school will be implementing more opportunities that allow pupils to develop their interests and talents. Further develop the links between pupil achievements in and outside of school.	£1200	Pupils' personal development across the school will be better than good.	Our school football team have taken part in inter school sports competitions. They have developed their team work skills and resilience as well as determination.
To continue to encourage every child to take part in additional daily exercise over and above P.E sessions.	PE Leads to make sure that all staff understand their vision for PE and the importance of daily exercise so that all children participate. Re introduce the daily mile across the school Plan and carry out	All children take part in daily exercise, which is promoted by the class teacher/middays. Daily mile champions identified in all classes and will work together to continue to raise the profile of physical activity. Pupil's skills and		Pupil's resilience, stamina and well-being improves as a result of daily exercise. As a result of the daily exercise incentive, more children will be enthused to take part as they will motivate each other and the program will continue after this academic year.	The school has seen an increase in fitness levels, children who were hesitant to take part in the Daily Mile are now looking forward to it. We have not yet identified Daily Mile Champions and will work on this in the new academic year.
