Volunteering at Avanti

Avanti is a family of school that see everyone involved in the schools (students, parents and staff) as part of a community.

All schools in the Avanti Schools Trust prepare pupils for their respective life-journeys by promoting educational excellence, character formation and spiritual insight.

Parents and the local community play a vital role in the developemnt of the school and primarily the children. We want to give the children a well rounded experience that prepares them for their next step.

The schools love to have parents and well-wishers come in and deliver exciting workshops for the children, lead an activity or participate in dramas and charity events with the children.

Volunteers bring a new flavour and colour to the school that allows the childrens experience to be enhanced and well rounded.

We have many areas that you could get involved, from charity events to reading with children to bringing your professional expertise to the school. We truly believe that the school is a community and the heart of a community is the mood of service between the members.
