

Pupil Premium Grant Expenditure Report

Krishna Avanti Primary School, Leicester

2020 to 2021

This report provides information on how the school used the Pupil Premium (PP) in the last academic year and the impact this had on our pupil's academic achievement and personal wellbeing. It also shows how we made sure that the provision for this group of pupils was of consistently high quality so that each action funded by PP should lead to improvements in pupils' development and learning and enable them to achieve high standards. In our school, we are ambitious for all our children and have high expectations of all. Every effort is made to ensure that the extra funding is used to best effect so that it makes a strong impact on children's learning, success and happiness.

The 2019 to 2020 academic year was interrupted in March with the COVID-19 pandemic. This created many challenges for all children, parents and staff. Many more children than those in receipt of pupil premium funding are likely to have been affected. The school worked extremely hard and was very pleased to have been able to roll out Google Classroom to every single child in the school by the first day of Lockdown and provide a full day's worth of education for every child throughout the academic year. This provision was planned for and delivered by the children's usual class teachers and continued the topics and work, as best they could, as they would have done had they physically been in class.

Specific barriers to education that our children face:

- Low literacy skills upon entry.
- Parents and family with very little English, unable to support with literacy work.
- Social and emotional difficulties and challenges
- Insufficient family engagement with their schooling.

Overview of PPG expenditure and outcomes for pupils:

- Nature of additional support
- How is it linked with access to school curriculum and learning
- Outcomes for pupils
- Reasons for decision on specific strategy

Previous year's Report: Overview of expenditure and outcomes - 2019 to 2020

Total number of pupils on roll (October)	426
Total number of pupils eligible for PPG (Ever 6 & Ever)	31
Amount of PPG received per pupil	£1300
Total amount of PPG received	£40,300.00

Nature of School actions Support	How is it linked with pupil access to school curriculum and learning to raise achievement?	How much was spent? (details of each activity)	Impact on pupils: What are the outcomes for pupils?	Reasons why have we chosen the support actions/activities?
FSM Lunch & Milk	All children able to have a hot meal and milk every day, supplying a balanced diet for a healthy mind and mind.	£5,735.00	Attendance was in line with all school pupils, circa 96.5% Outcomes unknown due to Covid19. Meals provided for increased numbers due to Furlough and job changes.	Children are alert and have the energy to participate, learn and enjoy school.
Uniform	Ensure that all children can wear a school uniform and be part of school in every way.	£775.00	No children standing out and in danger of being targeted.	Children feel good and proud to be part of the school. High self-esteem. Children achieve as well as others in class.
School Minibus	Children able to visit various places and take part in inter-school activities.	£2,000.00	Children's experiences continued to be developed.	Children able to experience wider life. Inspiration given for differing children's interests/abilities.
After School Clubs	Children able to attend desired clubs and have numerous opportunities to learn and play and succeed alongside peers.	£5,000.00	Many children are able to join new clubs and discover activities that they enjoy. Having two members of staff every day to deliver to different clubs increase the opportunities.	Raised self-esteem and enjoyment of school. Learn new skills and social interaction.
Trips	Ensure that all children can attend visits not usually covered within the curriculum, to enrich learning and life experiences.	£2,000.00	Visit took place prior to lockdown with her for every single child and not compromised. The usual residential trips did not take place sadly.	Experience of the wider world and life opportunities, learning and enterprise.
Learning Mentor	To ensure a specific member of staff is able to monitor and support children and families through potentially difficult times as required. Provide the support to cater for their different needs.	£15,800.00	Behaviour in the school greatly improved. Children in need of 1:1 reading, support and challenge continue to receive the right support during lockdown, remotely.	Any issues picked up early, rectified and home/school links highly effective. The gap diminished between non-Pupil Premium children and self, with specific support to address their needs.

Teaching Assistants	Children without backing/support at home are able to make the most of time in school and progress. To provide ancillary support in class for those that are falling behind.	£12,000.00	School were able to deliver bespoke sessions during lockdown for children using Google classroom. Two additional teaching assistance were appointed to support two children with pupil premium who required one-to-one support and daily contact where they were unable to attend school.	Children make at least expected progress. Difference between Pupil Premium children and other diminished.
Good2Learn	Web-based learning, linked to the Nat. Curriculum, enabling children to be supported with concepts on English and mathematics and then completing tasks specifically linked, giving instant feedback on answers.	£1,000.00	Although there is no outcome data due to coverage, children's basic skills were improved through regular bespoke activities focusing on gaps in their understanding. This should be evidenced in future years.	Children make at least expected progress. Difference between Pupil Premium children and other diminished.
Total Expenditure		£43,310.00		

Overview and Planned expenditure and expected outcomes - 2020 to 2021

Total number of pupils on roll (October)	427
