Introductory Statement

Krishna Avanti Primary School (Leicester) (“the School”) is part of the Avanti Schools Trust and is an inclusive Hindu faith-designated school which welcomes children of all faiths and none. More information about the School can be found by visiting the website at www.avanti.org.uk/kapsleicester.

The Trust Board of Avanti Schools Trust (“the Trust”) is the “admission authority” for all schools within the trust, and is responsible for determining and implementing the admission arrangements for those schools.

Published Admission Number (“PAN”)

The PAN for entry to Reception Year is 60.

Where fewer applications than the PAN, or an amount equal to the PAN, for the relevant year group are received, offers will be made to all those who have applied.

Applications for Admission in the Normal Admission Round (i.e. to Reception)

Applications for admission in the normal admission round must be made to the parents’ home Local Authority on their Common Application Form (“CAF”), which is accessible on their website. The CAF for Leicester City Council can be found here - [Apply for an infant or primary school place \(leicester.gov.uk\)](http://leicester.gov.uk). Applications must be submitted by the closing date, which is **15th January 2026**.

Parents will be notified of the outcome of applications on “national offer day” which is on **16th April 2026** (or the next working day).

Following the offer of a place at the School, parents can be asked to provide proof of their child’s date of birth.

Children with an Education, Health and Care Plan

Children with an education health and care plan (“EHCP”) which names **Krishna Avanti Primary School (Leicester)** will be admitted to the School even where this may result in the PAN for that year group being exceeded. Where they will be admitted in the normal admission round (i.e. to Reception Year), the number of places available within the PAN will be reduced.

Children of UK Service Personnel and Crown Servants

In cases of children of UK service personnel (UK armed forces) with a confirmed posting or Crown servants returning from overseas, the Trust will allocate a place in advance of the family arriving in the area (as long as one is available) provided the application is accompanied by an official letter confirming the relocation date. This is an exception to the rule that the child must be living at the address at the time of application.

Oversubscription Criteria

Where the School is oversubscribed, the available places will be allocated to children in the following order of priority:

1. Looked after children, previously looked after children and children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children with a sibling attending the School at the time of application. Details of the sibling(s) must be included in the application form. Failure to do so will result in the child being placed into the next category that applies.
3. Children of a member of the School's staff who:
 - a. Has been employed at the School for two or more years at the time of application; and/or
 - b. Was recruited to fill a vacant post for which there was a demonstrable skill shortage.

For the avoidance of doubt, "a" and "b" above do not denote an order of priority – all children falling within this category will be treated equally.

4. Up to 10 places to Hindu children with a practising Hindu parent who worships at the ISKCON temple in Leicester.
5. Up to 20 places to Hindu children with a practising Hindu parent.
6. Other children by distance from the School, with priority given to children that live closest to the School measured as described below.

Supplementary Information Form ("SIF")

For children falling within categories 4 and 5 above, parents must submit a SIF certified by the practising Hindu parent's temple to the School by the closing date for applications, in addition to submitting a completed CAF to the Local Authority. Failure to do so will result in the child being placed into the next category that applies.

The SIF is available for download from the School's website ([Admissions – Krishna Avanti Primary School, Leicester](#)) or in hard copy from the School's office.

Order of Allocation

Where more than one child falls into one of the oversubscription categories, the order in which places will be allocated will be by reference to the distance the child lives from the School, with those living closest to the School receiving highest priority. Home to School distance will be measured on a straight-line basis using a geographical information system

measuring from the GEO code reference point for the child's home address to the GEO code reference point for the School (a GEO code is a position on a map).

If the family do not have a permanent address and reside in atypical accommodation such as a van on the public highway or boat without permanent mooring, the Local Authority will be consulted.

For the avoidance of doubt, geographical distances will be taken from the school's permanent site: Evington Hall, Spencefield Lane, Leicester, LE5 6HN.

Tie Breaker

Where two or more children live an equal distance from the School, random allocation supervised by someone independent of the School will be used as a tie-breaker to determine the order in which places are allocated.

Random allocation will not be applied to multiple birth siblings (twins and triplets etc.) from the same family tied for the final place. We will admit them all and exceed our PAN.

Admission of Children Below Compulsory School Age and Deferred Entry to Reception Year

Children are entitled to a full-time place in school in the September following their fourth birthday. Children do not, however, reach compulsory school age until one of three prescribed days following their fifth birthday (or on their fifth birthday, if it falls on a prescribed day). These prescribed days are 31 December, 31 March and 31 August.

Parents whose child is offered a place in Reception Year have a right to decide that they will defer the date that their child will start school until later in the school year, without losing the achieved place. Admission cannot be deferred beyond the date that the child would reach compulsory school age and not beyond the beginning of the final term of the school year for which the offer was made.

Part-Time Attendance in Reception Year

Parents have a right to decide that their child will attend School part-time until they reach compulsory school age.

For example, a child born on 15 February will not reach compulsory school age until 31 March following their fifth birthday, but is entitled to a full-time place in Reception Year from the preceding September. The child's parents can decide that their child will not start school until 1 January and will attend part-time until 31 March. From 1 April, the child will attend full-time.

Admission of Children Outside their Normal Age Group and Delayed Entry

The procedure for making a request is:

1. Parents must complete a 'Request for admission outside of normal age group form' (see Appendix A1). A hard copy of this form is available from the School Office: Krishna Avanti Primary School, Evington, Leicester, LE5 6HN. In that form, parents must explain that they are requesting that their child be admitted outside their normal age group, stating which year group they request and giving details of all relevant circumstances together with any relevant supporting documents.
2. The completed form and any supporting documents must be sent by post or email to the school Principal at kapsleicester@avanti.org.uk or Krishna Avanti Primary School, Evington, Leicester, LE5 6HN and marked 'Request for admission outside of normal age group.'
3. The Trust or the Panel appointed by the Trust will consider the request and make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the parent's views, the view of the Principal of the school concerned, information about the child's academic, social and emotional development, the child's medical history and the view of their medical professionals (where relevant), whether the child has previously been educated outside their normal age group, and whether they would have naturally fallen into a lower age group if they had not been born prematurely.
4. The Trust or appointed Panel will notify parents of their decision, including reasons, in writing, normally within 15 days of the date of receipt by the school of the request.
5. Where the request is agreed in principle in advance of an application being made, the decision letter **must** be included in the application.
6. Where a request is being made for twins, triplets or children of multiple higher births, a separate request must be made for each child.
7. There is no statutory right of appeal against refusal of a request for admission outside of normal age group. However, if parents are dissatisfied with the decision, they may submit a complaint under the Trust's Complaints and Concerns Policy.

It is important for parents to note that obtaining agreement in principle to a request for admission outside the normal age group does not mean that the child will achieve a place in that year group. The usual application for admission must be submitted to the Local Authority by the closing date (outlined above). When making the application to the Local Authority, parents are also required to submit the decision letter from the School agreeing to educate their child outside the normal age group alongside the application for admission. Applications will be considered with all other applications for that year group and the oversubscription criteria will be applied where necessary. This means that parents who obtain agreement in principle for their child to be educated outside the normal age group may not achieve a place at the School.

Late Applications

Applications received by the Local Authority after the closing date will be late applications, and will not be considered until after applications received on or before the closing date have been considered and places allocated. This means that the chance of achieving a place will be reduced. The names of those children who do not achieve a place will be placed on the waiting list (see below).

In-Year Admissions

Applications for in-year admissions should be made directly to the School using the online form ([In-Year Admissions – Krishna Avanti Primary School, Leicester](#)) or by contacting the School office on 0116 2419880. If more applications are received than there are places available, applications will be ranked in accordance with the over subscription criteria. Applicants will be notified of the outcomes by the School.

If admission is not granted, parents will have the opportunity to appeal the decision. Please see below for further information.

Fair Access Protocol

The School is committed to participating in the locally agreed Fair Access Protocol. Accordingly, outside the normal admissions round, children may be admitted to the School under the Fair Access Protocol, even where the School is full.

Waiting Lists

On behalf of the Trust, the School administers a waiting list for each year group for the duration of the school year. The names of all children who do not achieve a place will be placed on the waiting list automatically. At the end of each school year all names will be removed from the waiting list unless the parent indicates to the School that they wish for their child's name to remain on the list for the next school year. Note that this will be repeated at the end of each school year.

A child's position on the waiting list will be determined solely in accordance with the oversubscription criteria set out above, and not by reference to the date that the application for admission was made. This means that a child's place on the waiting list may go down as well as up, as more applications are received from children with higher priority.

Statutory Right of Appeal

Parents have a statutory right of appeal if their admission application is rejected either in the normal admission round or in-year. Appeals are dealt with strictly in accordance with the School Admission Appeals Code.

Appeals against refusal of a place either in the normal admission round or in-year should be made using the Local Authority's appeal form on its website found here - [Appeal against a school place decision \(leicester.gov.uk\)](#)

Information on the appeal timetable (including the deadline for requesting an appeal) will be published on the School's website ([Admissions – Krishna Avanti Primary School, Leicester](#)) on or before 28 February after the closing date for applications for that year. Information will also be included in the letter sent to parents notifying them of a refusal.

False and/or Intentionally Misleading information

Parents should note that an offer of a place is likely to be withdrawn if it is found that it was made on the basis of fraudulent or intentionally misleading information provided by parents.

The offer of a place may be withdrawn if it has been offered in error, a parent has not responded within a reasonable period of time, or it is established that the offer was obtained through a fraudulent or intentionally misleading application.

In order to ascertain whether an offer has been made on the basis of a fraudulent or intentionally misleading application, the School reserves the right to ask for additional information to check the veracity of the information provided in the application.
