As an employer with over 250 staff, Avanti Schools Trust is required by law to carry out Gender Pay reporting under the Equality Act 2010 (Gender Pay Gap Information) Regulations 2017, to demonstrate how large the pay gap is between our male and female employees.

For the purposes of the Regulations, the definition of an employee includes anyone based in Great Britain and employed under a contract of employment, a contract of apprenticeship or a contract personally to do work (i.e. worker). This is a relatively broad definition and likely to include some consultants as well as workers on casual contracts.

We confirm the data reported is accurate. In accordance with the Equality Act 2010 (Gender Pay Gap Information) Regulations 2017, Avanti Schools Trust is required to carry out Gender Pay Gap Reporting
