Pay Quartiles

The chart shows the gender distribution at Avanti Schools Trust when colleagues are placed into four equally sized quartiles based on pay.

As an employer with over 250 staff, Avanti Schools Trust is required by law to carry out Gender Pay Reporting under the Equality Act 2010 (Gender Pay Gap Information) Regulations 2017 to demonstrate the size of the pay gap between our male and female employees.

For the purposes of the Regulations, the definition of an employee includes anyone based in Great Britain and employed under a contract of employment, a contract of apprenticeship or a contract personally to do work (i.e. worker).
